

# Jump Start

**Purchase a new CSZ test chamber and receive 20% off testing services until your chamber ships**

Our brand new **Jump Start** program offers the perfect way to reduce costly delays or down-time in your testing schedule as you wait for your new environmental test chamber.

Utilizing our test lab will allow you to get a **Jump Start** on your product tests at **20% savings** over standard testing services. With **Jump Start** you will already have a baseline of valuable data when your new test chamber arrives.\*

**Other advantages include:**

- Get a **Jump Start** on total test time for your products
- Get a **Jump Start** on collecting valuable test data
- Get a **Jump Start** on test reporting
- Get a **Jump Start** with insight for future testing

Contact our test lab to see if you qualify: [testing@genthermcsz.com](mailto:testing@genthermcsz.com)

**Get 20% OFF**  
the same type of testing!
